WHEREAS the Plaintiffs, Class Counsel and the Settling Defendants agree that neither this Settlement Agreement nor any statement made in the negotiation thereof shall be deemed or construed to be an admission by or evidence against the Releasees or evidence of the truth of any of the Plaintiffs' allegations against the Releasees, which allegations are expressly denied by the Settling Defendants;

E. WHEREAS the Settling Defendants are entering into this Settlement Agreement in order to achieve a final and nation-wide resolution of all claims asserted or which could have been asserted against the Releasees by the Plaintiffs and the Settlement Classes in the Proceedings and any Other Actions, and to avoid further expense, inconvenience and the distraction of burdensome and protracted litigation and the risks associated with trials and appeals;

(6) The Releasees shall have no obligation to pay any amount in addition to the Settlement Amount, for any reason, pursuant to or in furtherance of this Settlement Agreement, the Proceedings or any Other Actions.

(7) Once a Claims Administrator has been appointed in one or more Proceedings, Siskinds LLP shall transfer control of the related portion of the Trust Account to the Claims Administrator.

(8) Siskinds LLP and the Claims Administrator shall maintain the Trust Account as provided for in this Settlement Agreement.

(9) Siskinds LLP and the Claims Administrator shall not pay out all or any part of the monies in the Trust Account, except in accordance with this Settlement Agreement, or in accordance with an order of the Courts obtained after notice to the Parties.

3.2 Taxes and Interest

(1) Except as hereinafter provided, all interest earned on the Settlement Amount in the Trust Account shall accrue to the benefit of the Settlement Classes and shall become and remain part of the Trust Account.

(2) Subject to Section 3.2(3), all taxes payable on any interest which accrues on the Settlement Amount in the Trust Account or otherwise in relation to the Settlement Amount shall be paid from the Trust Account. Siskinds LLP or the Claims Administrator, as appropriate, shall be solely responsible to fulfill all tax reporting and payment requirements arising from the Settlement Amount in the Trust Account, including any obligation to report taxable income and make tax payments. All taxes (including interest and penalties) due with respect to the income earned by the Settlement Amount shall be paid from the Trust Account.

(3) The Settling Defendants shall have no responsibility to make any filings relating to the Trust Account and will have no responsibility to pay tax on any income earned on the Settlement Amount or pay any taxes on the monies in the Trust Account, unless this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, in which case the interest earned on the Settlement Amount in the Trust Account or otherwise shall be paid to the Settling Defendants who, in such case, shall be responsible for the payment of all taxes on such interest not previously paid by Siskinds LLP or the Claims Administrator.

3.3 Intervention in the U.S. Litigation

(1) The Settling Defendants and other Releasees shall not oppose any application that may be brought by or on behalf of the Plaintiffs to intervene in the U.S. Litigation in order to gain access to discovery documents and other documents and information subject to a protective order that are relevant to the Proceedings and is not otherwise inconsistent with the terms of this Settlement Agreement, including Section 4.1(16). However, it is understood and agreed that neither the Settling Defendants nor the other Releasees have any obligation to bring or otherwise participate in such an application.

SECTION 4 – COOPERATION

4.1 Extent of Cooperation

(1) The scope of the Settling Defendants' obligations to cooperate under this Settlement Agreement as set out in this Section 4.1 is limited to only those Proceedings (and the Alleged Parts which are the subject of those Proceedings) which, at the time of the delivery of the cooperation specified herein, are ongoing against one or more Non-Settling Defendants. The cooperation shall be made available to Class Counsel in the applicable Proceeding. Notwithstanding the foregoing, in the Proceedings relating to Automotive Steel Tubes, the

cooperation shall also be made available to Siskinds Desmeules s.e.n.c.r.l., to the extent that Siskinds Desmeules s.e.n.c.r.l. is assisting Ontario and BC Class Counsel in the prosecution of those Proceedings.

(2) It is understood that the Settling Defendants may be unable to make available for interviews, depositions, or trial testimony, or any other court proceedings, the individual not covered by the non-prosecution terms of the plea agreement between Maruyasu Industries Co., Ltd. and the United States (No. 16-cr-64, ECF No. 210 (S.D. Ohio May 31, 2018)). Cooperation will take place consistent with the timing set forth specifically below, and in a manner that is in compliance with the Settling Defendants' obligations to a Government Entity.

(3) Within sixty (60) days of Class Counsel's request and no earlier than sixty (60) days from the date the Conditions of Settlement have been met, or such other time period as Class Counsel and the Settling Defendants may reasonably agree, subject to the other provisions of this Settlement Agreement, counsel for the Settling Defendants will meet with Class Counsel in Canada, or at some other location mutually agreed to by the Parties, to provide an oral evidentiary proffer of facts known to them, which will include information originating with the Settling Defendants that is not covered by privilege relating to the allegations in the Proceedings. The proffer shall not exceed two (2) business days. Counsel for the Settling Defendants shall make themselves available for reasonable follow-up questions by Class Counsel relating to the proffered information. Notwithstanding any other provision of this Settlement Agreement, and for greater certainty, it is agreed that all statements made and information provided by counsel for the Settling Defendants are privileged, will be kept strictly confidential, and may not be directly or indirectly disclosed to any other Person, unless disclosure is ordered by a Court, which order must be obtained on notice to the Settling Defendants. Further, absent such a Court order, Class Counsel will not attribute any factual information obtained from the proffer to the Settling Defendants and/or counsel for the Settling Defendants. Notwithstanding the foregoing, Class Counsel may: (i) use information obtained from the proffer in the prosecution of the Proceedings, including for the purpose of developing the Distribution Protocol or any other allocation plan relating to any settlement or judgment proceeds, except the prosecution of any claims against Releasees; and (ii) rely on such information to certify that, to the best of Class Counsel's knowledge, information and belief, such information has evidentiary support or will likely have evidentiary support after reasonable opportunity for further investigation or

discovery, but, absent a court order obtained on notice to the Settling Defendants, the Plaintiffs shall not introduce any information from a proffer into the record or subpoena any counsel for the Settling Defendants related to a proffer. The Parties agree that the proffer itself is settlement privileged, the proffer does not constitute evidence, that there shall be no audio or video recording or written transcription or record of any statements made or information provided by counsel for the Settling Defendants at the proffer, and that Class Counsel may only make written notes of their own thoughts and impressions at the proffer for the purpose of formulating legal advice, pursuing litigation and/or advancing settlement discussions in the interests of the Settlement Class.

(4) After the Conditions of Settlement have been met, if requested by Class Counsel in writing, and within 60 days of such written request, or such other time period as Class Counsel and the Settling Defendants may reasonably agree, the Settling Defendants agree to use reasonable efforts to:

- (a) provide to Class Counsel the transactional sales data regarding the Alleged Parts as has already been produced pursuant to the U.S. Settlement Agreements. The transactional sales data will be provided in Excel or such other format in which it was produced in connection with the U.S. Settlement Agreements, and shall be delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c);
- (b) provide a list of fields included in the data provided pursuant to Section 4.1(4)(a) and a description of information contained in those fields, including a description of any codes used in those fields;
- (c) provide electronic copies of any documents (as defined in Rule 30.01 of the Ontario *Rules of Civil Procedure*) regarding the Alleged Parts produced by the Settling Defendants in the U.S. Litigation pursuant to the U.S. Settlement Agreements, and any pre-existing translations of such documents produced in the U.S. Litigation, and any pre-existing and non-privileged electronic coding or metadata produced in the U.S. Litigation. In addition, where the documents previously produced in the U.S. Litigation contain bates stamps on their face, a

field will be produced containing the corresponding bates stamps of the first page of each document;

- (d) provide electronic copies of transcripts and video recordings of all depositions or other testimony of current or former employees, officers or directors of the Settling Defendants, including all exhibits thereto, taken in the U.S. Litigation, and any pre-existing translations into English that were produced in the U.S. Litigation. If such transcripts or video recordings become available more than thirty (30) days after the Conditions of Settlement have been met, such transcripts or video recordings shall be provided within twenty (20) days of becoming available. The transcripts or video recordings shall be delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c);
- (e) provide electronic copies of any declarations or affidavits of current or former employees, officers or directors of the Settling Defendants, including all exhibits thereto, taken in the U.S. Litigation, and any pre-existing translations into English that were produced in the U.S. Litigation. If such declarations or affidavits become available more than thirty (30) days after the Conditions of Settlement have been met, such declarations or affidavits shall be provided within twenty (20) days of becoming available. The declarations and affidavits shall be delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c);
- (f) provide electronic copies of any responses to written interrogatories by the Settling Defendants, including all schedules thereto, taken in the U.S. Litigation, and any pre-existing translations into English that were produced in the U.S. Litigation. The responses to written interrogatories shall be delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c);

(g) provide a list of all current and former employees, directors and officers of the Settling Defendants who:

- (i) were interviewed and/or prosecuted by any Government Entity in connection with alleged price-fixing, bid rigging and market allocation of the Alleged Parts;
- (ii) appeared before the grand jury in the U.S. Department of Justice's investigation into alleged antitrust violations with respect to the Alleged Parts; and/or
- (iii) were disclosed to the U.S. Department of Justice as having knowledge or information relating to the U.S. Department of Justice's investigation into alleged antitrust violations with respect to the Alleged Parts; and

(h) provide, to the best of the Settling Defendants' knowledge, (i) a list of Automotive Vehicles sold in Canada between January 1, 2000 and October 15, 2018 that contain Fuel Injection Systems sold by the Settling Defendants; and (ii) a list of Automotive Vehicles sold in Canada between December 1, 2003 and October 15, 2018 that contain Automotive Steel Tubes sold by the Settling Defendants.

(5) After the Conditions of Settlement have been met, if requested in writing by Class Counsel, and within one hundred and twenty (120) days of such written request, or such other time period as Class Counsel and the Settling Defendants may reasonably agree, the Settling Defendants agree to use reasonable efforts to:

(a) provide to Class Counsel pre-existing transactional cost data and further pre-existing transactional sales data regarding the Alleged Parts reflecting the Settling Defendants' sales of the Alleged Parts during the applicable Class Period, if and to the extent pre-existing sales or cost data reflect that the sales or cost data relate to Alleged Parts known or expected to be included in Automotive Vehicles that were sold in Canada. The transactional sales and cost data will be provided in Excel or such other format as may be agreed upon by Counsel for the Settling Defendants and Class Counsel, and shall be delivered as a separate production

from the documents to be delivered pursuant to Section 4.1(4) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(5);

- (b) provide a list of fields included in the data provided pursuant to Section 4.1(5)(a) and a description of information contained in those fields, including a description of any codes used in those fields; and
- (c) provide electronic copies of any pre-existing documents (as defined in Rule 30.01 of the Ontario *Rules of Civil Procedure*) provided to or seized by Government Entities from the Settling Defendants or their affiliates (defined as any entity in which either of the Maruyasu Defendants had a greater than 50% ownership interest at the time such documents were provided to or seized by Government Entities) relating to their investigation into alleged competition violations with respect to the Alleged Parts, and any pre-existing translations of such documents provided to Government Entities with those productions. The Settling Defendants need not identify to which Government Entity any particular document was produced.

(6) The obligation to produce documents pursuant to Section 4.1(4) shall be a continuing obligation to the extent additional documents are produced by the Settling Defendants following the initial productions pursuant to the U.S. Litigation and/or U.S. Settlement Agreements.

(7) As to additional documents in the Settling Defendants' possession, custody, or control concerning the Alleged Parts, the Settling Defendants will consider in good faith any reasonable request by the Plaintiffs to collect and produce such documents, provided the request would not impose an undue burden on the Settling Defendants.

(8) The Settling Defendants shall not object to the Plaintiffs' participation in any evidentiary proffers and/or interviews of the Settling Defendants' representatives that occur in the U.S. Litigation pursuant to the U.S. Settlement Agreements. The Settling Defendants shall, where possible, provide notice to Class Counsel thirty (30) days before any evidentiary proffer or interview of representatives of the Settling Defendants that occurs in the U.S. Litigation pursuant to the U.S. Settlement Agreements.

(9) It is understood that the Plaintiffs' participation in any evidentiary proffers and/or interviews described in Section 4.1(8) might take place before the Effective Date. In such event:

- (a) Any documents or information provided in the course of those evidentiary proffers and/or interviews shall be subject to the terms and protections of this Settlement Agreement; and
- (b) in the event that this Settlement Agreement is not approved, is terminated, or otherwise fails to take effect for any reason, the documents and information provided during the evidentiary proffers and/or interviews shall not be used by the Plaintiffs or Class Counsel, whether directly or indirectly, in any way for any reason, including, without limitation, against the Settling Defendants as an admission or evidence of any violation of any statute or law, or of any liability or wrongdoing by the Settling Defendants or of the truth of any claims or allegations in the Proceedings, Other Actions or at any hearing or trial, or in support of any motion, opposition or other pleading in the Proceedings or any other Canadian, or foreign, action, alleging a violation of any law relating to the subject matter of the Proceedings, and such information shall not be discoverable by any Person or treated as evidence of any kind, unless otherwise ordered by a Court. In order to give effect to this agreement, Class Counsel agrees to make reasonable efforts to return all copies of any documents received during, and destroy all copies of any notes taken during (or subsequent reports provided about), these evidentiary proffers and/or interviews and to provide written confirmation to the Settling Defendants of having done so.

(10) In the event that Class Counsel are unable to participate in the interviews that occur in the U.S. Litigation pursuant to the U.S. Settlement Agreements and/or no interviews occur within six (6) months after the Conditions of Settlement have been met, the Settling Defendants shall, at the written request of Class Counsel, upon reasonable notice, and subject to any legal restrictions, make reasonable efforts (which shall not include disciplining or terminating the employee) to make available at a mutually convenient time, current or former officers, directors or employees of the Settling Defendants who have knowledge about the allegations in the Proceedings to provide information regarding the allegations raised in the Proceedings in a personal interview

with Class Counsel and/or experts retained by Class Counsel. This obligation shall be limited to no more than four (4) individuals for interviews. Such personal interviews shall not exceed one (1) business day or seven (7) hours for each individual unless the interview is in a language other than English, in which case the interview shall be limited to a total of thirteen (13) hours over two (2) days. Class Counsel shall use reasonable efforts to limit this requirement to a single current employee. Class Counsel will consider a location outside Canada to accommodate a interviewee's individual circumstances for an interview. If the interview takes place outside the country of the interviewee's residence, Class Counsel shall reimburse half the reasonable travel costs incurred by such interviewees, but in no event shall Class Counsel be responsible for reimbursing such interviewees for time and services rendered. Such travel expenses may include economy airfare, but not airfare for business or first class. Reimbursable expenses shall not exceed \$1,500 per interviewee. Costs of an interpreter or otherwise related to foreign language translation in connection with interviews shall be the responsibility of Class Counsel. The failure of an interviewee to agree to make him or herself available, or to otherwise cooperate with the Plaintiffs, shall not constitute a violation of this Settlement Agreement provided that the Settling Defendants made reasonable efforts to secure such interviewee's cooperation.

(11) Subject to the rules of evidence, the U.S. Protective Order and any Court order with respect to confidentiality and the other provisions of this Settlement Agreement, the Settling Defendants agree to use reasonable efforts (which shall not include disciplining or terminating the employee) to produce at trial or otherwise in the Proceedings (including through affidavits or declarations) upon reasonable notice, a reasonable number of representatives whom Class Counsel, in consultation with Counsel for the Settling Defendants, reasonably and in good faith believes are qualified to establish for admission into evidence (i) the Settling Defendants' transactional sales data provided pursuant to Section 4.1(4)(a) and transactional cost or sales data provided pursuant to Section 4.1(5)(a); and (ii) any of the Settling Defendants' documents provided as cooperation pursuant to Sections 4.1(4)-(7) of this Settlement Agreement that is reasonable and necessary for the prosecution of the Proceedings (with Class Counsel using their best efforts to authenticate documents and admit information into evidence for use at trial or otherwise without use of a live witness). Class Counsel shall use all reasonable efforts to limit the number of witnesses and, to the extent reasonably possible, a single witness will be used both to authenticate documents and provide the information at trial or otherwise contemplated by this

Section in any Proceeding. This obligation shall be limited to no more than two (2) representatives per Alleged Part. The failure of a specific officer, director or employee to agree to make him or herself available, or to otherwise cooperate with the Plaintiffs, shall not constitute a violation of this Settlement Agreement. If the trial takes place outside the country of the witness's residence, Class Counsel shall reimburse half the reasonable travel costs incurred by such witnesses, but in no event shall Class Counsel be responsible for reimbursing such witnesses for time and services rendered. Such travel expenses may include economy airfare, but not airfare for business or first class. Reimbursable expenses shall not exceed \$1,500 per witness. Costs of an interpreter or otherwise related to foreign language translation in connection with the witness shall be the responsibility of Class Counsel.

(12) Nothing in this Settlement Agreement shall be construed to require the Settling Defendants or any of their present, former or future officers, directors or employees to perform any act, including the transmittal or disclosure of any information, which would violate the law of this or any jurisdiction, or any court order (including the U.S. Protective Order).

(13) Nothing in this Settlement Agreement shall require, or shall be construed to require, the Settling Defendants or any representative or employee of the Settling Defendants to disclose or produce any documents or information prepared by or for Counsel for the Settling Defendants, or that is not within the possession, custody or control of the Settling Defendants, or to disclose or produce any documents or information where such disclosure or production is prohibited by the relevant antitrust agencies and/or by the law of the relevant foreign jurisdiction, in breach of any order, regulatory directive, rule or law of this or any jurisdiction, or subject to the work-product doctrine, solicitor-client privilege, litigation privilege, joint defence privilege or any other privilege, doctrine, or law, or to disclose or produce any information or documents they obtained on a privileged or co-operative basis from any party to any action or proceeding who is not a Releasee. The Settling Defendants are not required to create a privilege log. However, if a relevant privilege log was created in the context of the U.S. Litigation, the Settling Defendants will provide Class Counsel with a copy of such log, delivered as a separate production from the documents to be delivered pursuant to Section 4.1(4)(c) or identified by bates number as part of the production of documents to be delivered pursuant to Section 4.1(4)(c).

(14) If any documents protected by any work-product doctrine, privilege and/or any privacy law or other rule or law of this or any applicable jurisdiction are accidentally or inadvertently disclosed or produced, such documents shall be promptly returned to the Settling Defendants or destroyed if information contained in such documents is recorded in summaries, notes, memoranda or other documents (or portions thereof) referring to or reflecting the contents of such information, and the documents and the information contained therein shall not be disclosed or used directly or indirectly, for any purpose whatsoever, except with the express written permission of the Settling Defendants, and the production of such documents shall in no way be construed to have waived in any manner any privilege, doctrine, law, or protection attached to such documents. The Plaintiffs and Class Counsel acknowledge that the disclosure does not waive, in whole or part, the producing party's claim of privilege either as to the specific documents or information disclosed therein or as to any other documents or information relating thereto or on the same or related subject matter.

(15) The Settling Defendants' obligations to cooperate as particularized in this Section shall not be affected by the release provisions contained in Section 7 of this Settlement Agreement. Unless this Settlement Agreement is not approved, is terminated or otherwise fails to take effect for any reason, the Settling Defendants' obligations to cooperate shall cease at the date of final judgment in the Proceedings against all Defendants or all Defendants in the Proceedings settle with the Plaintiffs and those settlements become effective in accordance with their terms or a court order.

(16) Subject to Sections 4.1(17) and 4.1(18), the provisions set forth in this Section 4.1 are the exclusive means by which the Plaintiffs, Class Counsel and Settlement Class Members may obtain discovery or information or documents from the Releasees. The Plaintiffs, Class Counsel and Settlement Class Members agree that they shall not pursue any other means of discovery against, or seek to compel the evidence of, the Releasees, whether in Canada or elsewhere and whether under the rules or laws of this or any other Canadian or foreign jurisdiction. The Settling Defendants, the Releasees or their counsel need not respond to formal discovery requests from the Plaintiffs, Class Counsel or Settlement Class Members, or otherwise participate in the Proceedings during the pendency of this Settlement Agreement, other than the cooperation provisions set forth in Section 4.1 Other than to enforce the terms of this Settlement Agreement,

neither Plaintiffs nor the Settling Defendants shall file motions against the other in the Proceedings during the pendency of this Settlement Agreement.

(17) The Plaintiffs may exercise any rights they have to seek to obtain discovery in the Proceedings as against: (i) the Person referenced in Section 4.1(2); and (ii) any officer, director and/or employee of the Settling Defendants put forward to participate in employee interviews, or provide testimony at trial or otherwise pursuant to Sections 4.1(9) or 4.1(11) of this Settlement Agreement, if the current or former officer, director or employee of the Settling Defendants has failed to cooperate in accordance with Sections 4.1(9) or 4.1(11) of this Settlement Agreement. Nothing in this provision shall limit in any way a Settling Defendant's ability to defend the level of cooperation it has provided or to defend its compliance with the terms of the cooperation provisions in this Settlement Agreement.

(18) In the event that the Settling Defendants materially breach this Section 4.1, the Plaintiffs may move before the Courts to enforce the terms of this Settlement Agreement, seek an order setting aside Section 4.1(16) and allowing the Plaintiffs to obtain discovery or information from the Settling Defendants as if the Settling Defendants remained parties to the Proceeding, or seek such other remedy that is available at law. Nothing in this provision shall limit in any way a Settling Defendant's ability to defend the level of cooperation it has provided or to defend its compliance with the terms of the cooperation provisions in this Settlement Agreement.

(19) A material factor influencing the Settling Defendants' decision to execute this Settlement Agreement is their desire to limit the burden and expense of this litigation. Accordingly, Class Counsel agree to exercise good faith in seeking cooperation from the Settling Defendants, agree not to seek information that is unnecessary, cumulative or duplicative and agree otherwise to avoid imposing undue or unreasonable burdens or expense on the Settling Defendants.

(20) The scope of the Settling Defendants' cooperation under this Settlement Agreement shall be limited to the allegations asserted in the Proceedings as presently filed. Nothing herein shall obligate the Settling Defendants to provide any cooperation for any purpose if the Plaintiffs initiate or resume active litigation against the Settling Defendants relating to the Released Claims.

(21) The Settling Defendants make no representation regarding and shall bear no liability with respect to the accuracy of any of the documents or information described in this Section 4.1, or that they have, can or will produce a complete set of any of the documents or information described in this Section 4.1, and the failure to do so shall not constitute a breach or violation of this Settlement Agreement.

(22) For greater certainty, the Plaintiffs' failure to strictly enforce any of the deadlines for the Settling Defendants to provide cooperation pursuant to this Section 4.1 is not a waiver of the cooperation rights granted by Section 4.1.

4.2 Limits on Use of Documents and Information

(1) It is understood and agreed that all documents and information made available or provided by the Settling Defendants and/or Counsel for the Settling Defendants to the Plaintiffs and Class Counsel under this Settlement Agreement shall be used only in connection with the prosecution of the claims in the Proceedings, and shall not be used directly or indirectly for any other purpose, except to the extent that the documents or information were, are or become publicly available. In no event shall the documents or information be used for any business, competitive, personal, private, public, or other purpose, except as permitted by law and except to the extent that the documents or information were, are or become publicly available. The Plaintiffs and Class Counsel agree they will not disclose the documents and information provided by the Settling Defendants and/or Counsel for the Settling Defendants beyond what is reasonably necessary for the prosecution of the Proceedings or as otherwise required by law, except to the extent that the documents or information were, are or become publicly available. Subject to the foregoing, Class Counsel shall take reasonable precautions to ensure and maintain the confidentiality of, and control the access to and distribution of, such documents and information, and of any work product of Class Counsel that discloses such documents and information. Notwithstanding the foregoing, in the Proceedings for which Schedule A does not include an action filed in British Columbia and/or Quebec, Ontario Class Counsel may disclose such information and documents to Camp Fiorante Matthews Mogergerman LLP and/or Siskinds Desmeules s.e.n.c.r.l., as applicable, to the extent that Camp Fiorante Matthews Mogergerman LLP and/or Siskinds Desmeules s.e.n.c.r.l. are assisting Ontario Class Counsel in the prosecution of that Proceeding and Camp Fiorante Matthews Mogergerman LLP and/or Siskinds Desmeules

s.e.n.c.r.l. agree to keep such information confidential and only use it for the purpose of providing such assistance.

(2) If the Plaintiffs intend to produce or file in the Proceedings any documents or other information provided by the Settling Defendants and/or Counsel for the Settling Defendants as cooperation under the Settlement Agreement (and such disclosure is not otherwise prohibited by the Settlement Agreement) which, at the time of being provided, were marked or designated by the Settling Defendants as “Confidential — Subject to Procedure Under Section 4.2 of the Settlement Agreement,” and there is not already a confidentiality order issued in the relevant Proceeding that applies to the documents and information provided as cooperation by the Settling Defendants, Class Counsel shall provide the Settling Defendants with an advance description of the documents or other information sought to be produced or filed at least thirty (30) days in advance of the proposed production or filing, in order that the Settling Defendants may move to obtain a sealing or confidentiality order or similar relief. If, within the thirty (30) day period, a Settling Defendant does not so move, the Plaintiffs and Class Counsel can produce or file the information or documents in the ordinary course. If, within that thirty (30) day period, a Settling Defendant so moves, the Plaintiffs and Class Counsel shall not produce or file the confidential information or documents until the Settling Defendants’ motion has been decided and all applicable appeal periods have expired. Notwithstanding the foregoing, Plaintiffs and Class Counsel may, so as not to delay prosecution of the relevant Proceeding: (i) seek an interim sealing order pending the Settling Defendants’ motion and, if an interim sealing order is granted, may file such documents or information with the relevant Court pursuant to such interim sealing order; or (ii) provide, on an interim basis, documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances that the documents or information will remain with external counsel and will only be disclosed to independent expert(s) retained by a Party for the purposes of the relevant Proceeding, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the relevant Proceeding or a competitor of the Settling Defendants. In addition, if a Settling Defendant intervenes for this purpose, the Plaintiffs and Class Counsel shall not oppose a motion to intervene made by the Settling Defendant(s) for this purpose, provided that the form and content of the requested order is similar in substance to the order issued by the

Ontario Court in Ontario Superior Court of Justice Court File No. CV-12-446737-00CP, dated July 15, 2015. In the BC Action, any application for a sealing order brought pursuant to this Section 4.2(2) shall comply with Practice Direction 35—Sealing Orders in Civil and Family Proceedings.

(3) In the event that a Person requests disclosure of documents or information provided by the Settling Defendants as cooperation under this Settlement Agreement which, at the time of being provided, were marked or designated by the Settling Defendants as “Confidential — Subject to Procedure Under Section 4.2 of the Settlement Agreement”, whether or not the Person applies for an order requiring the Plaintiffs to disclose or produce any documents or other information, and there is not already a confidentiality order issued in the relevant Proceeding that applies to the documents and information provided as cooperation by the Settling Defendants, Class Counsel shall provide notice to the Settling Defendants promptly upon becoming aware of it in order that the Settling Defendants may intervene to oppose such disclosure or production. In no circumstances shall the Plaintiffs or Class Counsel apply for or consent to such an application for disclosure or production. The Plaintiffs and Class Counsel shall not disclose the confidential information or documents until a final order has been issued requiring the Plaintiffs and/or Class Counsel to produce the relevant information or documents, except: (i) to the extent such information or documents are or become otherwise publicly available; (ii) as ordered to do so by a Court; or (iii) in the event that the Person making the request is a Non-Settling Defendant, so as not to delay prosecution of the relevant Proceeding(s), Class Counsel may provide, on an interim basis, documents or information to counsel for the Non-Settling Defendants provided that counsel for the Non-Settling Defendants agree and give assurances that, until a final order has been issued requiring the Plaintiff and/or Class Counsel to produce the relevant information or documents, all applicable appeal periods have expired, the documents or information will remain with external counsel and will only be disclosed to independent expert(s) retained by a Party for the purposes of the relevant Proceeding, as well as secretarial, clerical or other support personnel of such expert(s) to whom disclosure is reasonably necessary. An independent expert may not be an employee of a Plaintiff or Defendant in the relevant Proceeding or a competitor of the Settling Defendants.

(4) Nothing in Section 4.2 shall be construed as a waiver by any party of any right to withhold any Confidential Information or Highly Confidential Information as attorney work

product or based on a legally cognizable privilege, or of any right that any party may have to assert any privilege.

(5) In addition, until such a time as a confidentiality order is in place in one or more Proceedings that applies to the documents and information provided as cooperation by the Settling Defendants and except as otherwise provided for in this Section 4.2, Class Counsel shall treat any documents received from the Settling Defendants and designated as Confidential or Highly Confidential in accordance with the provisions of the U.S. Protective Order. Class Counsel shall provide notice at least 45 days' notice to the Settling Defendants of any application or intended application to a court by the Plaintiff(s) in any of the Proceedings to seek any confidentiality, protective or other similar order that would apply to the documents and information provided by the Settling Defendants pursuant to the Settlement Agreement. If a Party other than the Plaintiff(s) brings any application to a court in any of the Proceedings to seek any confidentiality, protective or other similar order that would apply to the documents and information provided by the Settling Defendants pursuant to the Settlement Agreement, Class Counsel shall provide notice to the Settling Defendants forthwith. The Plaintiffs and the Settlement Class will not oppose any request by the Settling Defendants to intervene to make submissions before the Court on any such application, and will not oppose the Settling Defendants' standing to bring an application for sealing or confidentiality orders in the Proceedings. Once a confidentiality or protective order(s) is issued in one or more Proceedings, and on the condition that the provisions of this section have been followed, that order(s) shall govern any documents and information received from the Settling Defendants in that Proceeding(s).

SECTION 5– OPTING OUT

5.1 Procedure

(1) In the Ontario Automotive Steel Tubes Action and the BC Action, Class Counsel will seek approvals from the Ontario and BC Courts of the following opt-out process as part of the orders certifying those Proceedings as a class proceeding for settlement purposes:

- (a) Persons seeking to opt out of the relevant Proceedings must do so by sending a written request to opt out to Ontario or BC Class Counsel at an address to be identified in the notice described in Section 11.1(1) postmarked on or before the

Opt-Out Deadline. The written election to opt-out must be signed by the Person or Person's designee and must include the following information:

- (i) the Person's full name, current address and telephone number;
 - (ii) if the Person seeking to opt-out is a corporation, the name of the corporation and the position of the individual submitting the request to opt-out on behalf of the corporation; and
 - (iii) a statement to the effect that the Person wishes to be excluded from the relevant Proceedings.
- (b) Where the postmark is not visible or legible, the request to opt out shall be deemed to have been postmarked four (4) business days prior to the date that it is received by Ontario or BC Class Counsel.
- (c) Persons who opt out of the relevant Proceedings shall have no further right to participate in such Proceedings or to share in the distribution of any funds received as a result of a judgment or settlement in such Proceedings.
